

2015 Papal Visit Project Donors

The Philadelphia Armenian Genocide Centennial Committee would like to extend its deepest appreciation to the following donors for their generous contributions to our 2015 Papal Visit Project. Thanks to our unified effort, the greater Philadelphia Armenian community was able to successfully thank Pope Francis during his September visit to Philadelphia for his acknowledgement of the 100th anniversary of the Armenian Genocide earlier this year. Full-page color ads were placed in the Philadelphia Inquirer and Daily News, three digital billboards were commissioned on I-95, I-76 and the Platt Bridge, and banner ads were run 300,000 times on Philly.com. Please send an email to agcphiladelphia@gmail.com to report any errors to the list below.
